

# Globally Devoted

## Welcome to Globally Devoted

*Globally Devoted* is designed to help connect *Gaudiya Vaishnava* devotees worldwide to practical resources in devotional life.

The thought to make **Globally Devoted** was inspired from when *Ishvari and Eeshwar* (that's us) traveled cross country. We learned a lot. We met a lot of spiritually inspiring people.

Globally Devoted is the site to help you connect to practical resources for daily devotional life. What we came up with will return and be back online (*2019.Fall*).

We hope you will like *Globally Devoted* again when it returns (*2019.Fall*).

## Ishvari Devi Dasi, Eeshwar Das and Gauri Rasa

*Globally Devoted* is made by *Ishvari Devi Dasi* and *Eeshwar Das* owners of the *Gauri Rasa* family business.

### **Ishvari Devi Dasi**

*Ishvari Devi Dasi* (Svetlana Villaflor) references useful resources on *Globally Devoted*. Ishvari posts *Gaudiya Vaishnava* devotional content, *vegetarian* living, *environmental awareness*, *do it yourself (DIY, Do It Yourself)* home solutions, *natural motherhood*, *music*, *kirtan*, *Ayurveda*, *art*, and anything else Ishvari finds interesting. Ishvaris content will start showing up again (*2019.Fall*).

### **Eeshwar Das**

*Eeshwar Das* (Erik Ward) writes the software that *Globally Devoted* runs on. Eeshwars dad helped Ishvari and Eeshwar come up with the concept for *Globally Devoted*.

### **Gauri Rasa**

*Gauri Rasa* is our family run business. We provide resources, links and information solely and wholeheartedly on a volunteer basis. That being said, we hope you will find *Globally Devoted* useful when it returns (*2019.Fall*).

Thanks from *Globally Devoted*

## Accessibility statement

*Gauri Rasa* desires to make *Globally Devoted* easily accessible. The first steps we are taking for accessibility is researching standards. We then follow standards when possible.

Unfortunately *Globally Devoted* is available only in *English*. No translations are currently charted. *Gauri Rasa* charts to be available for *feedback 2020.Summer*.
